

2008-2009 RFES Club Rules

-Sponsored by the RFES PTA-

1) The RFES PTA has sponsored eight (8) before/after school clubs for this 2008-2009 school year.

-4 clubs will meet in the fall

-4 clubs are planned for the spring

2) Those RFES teachers who direct an RFES before/after school club, will be financially compensated by the RFES PTA.

3) A student may only participate in one club per year. Those students who have already participated in a fall 2008 RFES Club, need not apply for a spring RFES Club.

4) Each club is limited to 30 students (may be smaller depending on the moderator).

5) If more than 30 club applications are received by the appropriate deadline, then the 30 club members will be selected by a randomized lottery system.

6) All students and their families are notified of their club status by a sealed letter, to be opened at home.

We expect to have one before and one after school club for 1st – 3rd and 4th & 5th grades each session (Fall & Spring). We do not currently have a final list of clubs for the year as we would like to provide opportunity to all the wonderful new staff.

Thank you for your support and cooperation.
