

Join The PTA!

Becoming a member of the PTA is so important to the success of our children and our school. More than 30 years' worth of research has proven that children do better when their parents are involved both at home and at school. Following are some of the many ways the PTA enriches education at Rodgers Forge Elementary School:

- Purchased PAD Classroom Response (Smart Card) Systems**
- Purchased Kurzweil 3000 Scan Reading Software to support our reading program**
- Sponsors Before/After School Clubs and Spirit Activities**
- Provides a Cultural Arts Program for students**
- Provides Classroom Enrichment funds to teachers**
- Thanks teachers and staff with an incredible Teacher Appreciation Week**
- Provides school planners for grades 3-5, and RFES Take Home Folders for all students**

Part of your dues goes toward our local budget for projects like those listed above and part pays our insurance premium through the state organization.

**It would be great if we had 100% participation in PTA membership this year!
